Hi Ben –

The AWON web guy here . . .

Thanks for the information and bio you sent at the end of January. We can always (always) use web help.

I wonder if you can tell me your specific areas of interest, and also send me the in-depth analysis you provided our Board last Fall.

Best to you – In Their Memory –

– Rik

Hello Rik,

I was asked to review the AWON website and submit my analysis to the AWON board. Consequently, that report belongs to the board and I am not at liberty to release it to you. I'm sure you understand.

I suggest you submit your request to the board.

Thanks,

Ben
